

## ***CRIMINAL LAW REVIEW and UPDATE***

DATE: Wednesday, March 2, 2011  
TIME: 9:00 a.m. - 5:00 p.m.  
LOCATION: Methode Electronics, 111 West Buchanan, Carthage IL  
INSTRUCTOR: Kevin Burke

### **Course Description:**

This course particularly examines new offense provisions found in the *Illinois Criminal Code* and selected provisions of the *Cannabis Control Act*, *Controlled Substances Act* and *Illinois Vehicle Code*. Because the scope of the subject matter precludes discussion of all offense provisions under these headings, class discussion targets significant new and problematic provisions. Students will, however, be permitted to inquire about any provision of interest to them which would not otherwise be discussed. Also included will be summaries of significant court decisions construing the provisions examined.
